everything
seemed
normal.

The boys were happy
with their captain.

Even Jack was
ok with his job
as hunter-captain

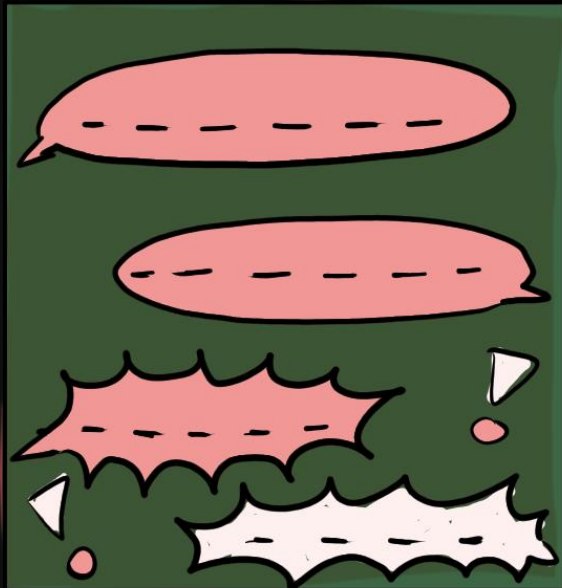

But slowly
chaos started
to take

It all begun ~~when~~
when the first

because of the
fire signal they
made.

more discipline
the boys just
wanted to relax.
Until they reported

but gets
mistaken as
the beast.

Jack kills him.

& even more
chaos breaks
out.

The group separates
more and more.

Jack steals Piggy's
glasses. No fire -
no survival. Only
a few people stand

with Ralph.

Jack is
getting
stronger.

Give us the Glasses back !
