make a difference**

## New election of advisory board for integration and immigration

At 21.03.2010 there will pass elections in new Nurembergs advisory board for integration and immigration. The newly elected structure in the future will represent interests of all immigrants living in Nuremberg and will replace with itself the previous board of foreigners and board of resettlers. The purposes of creation of advisory board of integration are improvement of vital conditions of immigrants in Nuremberg and also contribution to peace and co-existence of all townsmen equal in rights, no matter of a nationality.

28 members of a board will be defined by means of elections (2 immigrants will be appointed). As a whole advisory board for integration will be represented by 20 foreigners, 8 immigrants and 2 members who have obtained German citizenship. Distribution of places on nationalities and groups in Advisory board urged to consider interests of all immigrants city of the Nuremberg. Elections will be spent on the basis of free voting for candidates, without dependence from its accessory to national group of the voter.

### Election

Polling districts will be in 11 city districts (see an underside). Elections by mail impossible. Lists of candidates will be placed in alphabetic order on the following to 5 groups: the European Union, the Other European countries, the Other states, Resettlers, the Immigrants who have obtained citizenship. Each voter has **6 voices**. The principle thus operates: **any voter can vote for any candidate**. Similarly with the Bavarian municipal elections you can **panaschieren** (to vote to the different candidates belonging to different groups) and you can **kumulieren** (to give some the voices, max. 3 voices, to one candidate).

## Examples of admissible voting.
