CITIZEN INFORMATION

Education and Family Advice Centres

We are

four teams of social education workers pedagogues and psychologists. The people who come to see us are parents, young people and young adults up to 21 years of age.

If requested, we cooperate with other institutions and education experts.

We offer

- advice concerning all issues of development, education and family
- advice for couples
- advice for families, family therapy
- advice on separation, mediation in conflicts in the context of separation, divorce and custody arrangements
- diagnostics for children and young people
- advice for young people and young adults
- advice for parents with infants and toddlers (certified advice centre for cry babies)
- parenting courses and parent groups

We offer advice in the following native languages:
Turkish, Romanian, Czech, Slovak, Croatian and English

We are here for you

for questions and problems in the following areas:

Advice is on a
voluntary basis,
