## What are the benefits?

Enjoy the benefits of being a registered user of *Mein Nürnberg*:

- You can make applications quickly and securely without the paperwork
- You can submit documents digitally
- You can keep an eye on the progress of your applications
- You have a direct line to the city authorities – quicker than by post
- You no longer need to fill in forms as your data is taken automatically from your personal account

## Two ways to set up a personal account

**The short way** quick and easy

The electronic identification function (**eID-Funktion**) included in your ID card or resident permit allows you to register with *Mein Nürnberg* and immediately use all of the services offered by the online platform.

**The long way** without electronic identification function

You don't need the electronic identification function to open an account with *Mein Nürnberg*. Just register on the website [meinkonto.nuernberg.de](https://meinkonto.nuernberg.de) and download a confirmation document. Take this to one of the city's activation points and have your *Mein Nürnberg* account activated.
